Step 5: A screen confirming your membership will be displayed. From here (the My Account tab) it is recommended that you click on the **User Guide** button on the left which launches an excellent help guide on getting started and placing orders. You may want to save this for future reference.

Step 6: This step is completely optional but highly recommended. Click on the **Presto-Pay** tab to explore the benefits of paying online. Since all orders are held until payment is received, Presto-Pay saves you time and an extra trip to the Basilica.
