

Basilica Day's First Annual
Sacred Sampler: There's Something About Saint Mary
August 15, 2010, Following the 9:30 and 11:30 am liturgies

Have you ever wondered how the stained glass windows of The Basilica were made? If you could touch the Our Lady of Guadalupe mosaic, would it be smooth or rough? What is the significance of the plants in The Mary Garden? Who are the artists whose works are on display in The Basilica? How tall is the Mary statue on top of the Baldachino? Join volunteers to learn about eight pieces of art on The Basilica campus that focus on Mary, our patron saint. Art Cards will be available at the East entrance and main back doors as well as at each station with directions to each piece of art. In ten minute sessions, volunteers will discuss the work with participants and explain its significance to The Basilica of Saint Mary. Children and adults will also have the opportunity to take home hands on art projects at several of the stations.
