

2011-2012 Basilica Learning Volunteer Opportunities

We are looking for adults who want to be involved in the faith development of the next generation, who feel that it is important for young people to learn about their Catholic faith, and who are willing to make a commitment to this important work.

We are looking for help in a variety of areas.

Please prayerfully consider how you may best support your child's faith development by serving as an example to that which we are called to as baptized Catholics.
